Important Information for Applicant

A Report of Residential Building Records is required to be delivered to the buyer prior to the conclusion of a sale or transfer of a residential building (Ordinance No. 715).

It is the responsibility of the seller to ensure that the dwelling is equipped with a chimney spark arrestor and smoke detectors at the time of sale (Ordinance No. 1388).

Smoke detectors shall be mounted on the ceiling or wall (per smoke detector installation requirements) in the sleeping rooms, and on the ceiling or wall at a point centrally located in the corridor or area giving access to the rooms used for sleeping purposes. Where sleeping rooms are on an upper level, the smoke detector shall be placed at the center of the ceiling directly above the stairway. Smoke detectors may be battery operated when installed in existing buildings.
